

Elko BLM Fire Jobs

For most Temporary-Seasonal positions, announcements will open on 11/30/2010. The First Consideration date for Nevada BLM temporary seasonal positions will be 01/11/2011 with the exception of the Interagency Hotshot Crew (IHC) announcements, the Early Consideration date for these announcements will be 12/21/2010. **While the announcements remain open until 3/29/2011 for IHC and 04/29/2011 for other positions, priority consideration will be given to those people who have applied prior to the First Consideration Date.**

NOTE: You may edit your personal information and resume at anytime during the open period of the announcement. After you edit your personal information or resume in **My USAJOBS**, you **must RE-APPLY to the open vacancy announcement and complete the application process to overwrite the previously submitted information.**
